

Skamonics

Tech Sheet

The Skamonics are a seven piece band.

1. Female vocals + keys (DI'ed – we do not bring a keyboard amp)
2. Alto sax
3. Tenor sax
4. Trombone
5. Guitar (miced amp – we bring an amp)
6. Bass (miced amp – we bring an amp or can be DI'ed)
7. Drums

Plus we like a mic for backing vocals for one of the horn players if possible.

We do not provide any lighting.

We like to have some lighting on stage at all times, in order to read music.

Usual lay-out (though we are adaptable).

A mirror image (with vocals and guitar on left) is fine.

Please avoid putting any front line directly in front of the drums.

We need power for guitar/bass amps and key board.
